Dear Mr. Jones:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 136487.

The Angelina County Sheriff's Office received a request for information concerning the death of Cory Woods. You inform us that the information requested is precisely the same information that was the subject of a previous ruling by this office, Open Records Letter No. 2000-0656 (2000). Because this office has previously ruled on the precise information at issue, we decline to address further the public nature of the requested information at this time. See Gov't Code § 552.301(a). As you do not represent to us any change in circumstances that may cause this office to rule differently, you may rely on the previous ruling to determine which information you must release.

If you have questions about this ruling, please contact our office.

Sincerely,

Patricia Michels Anderson
Assistant Attorney General
