Mr. W. Montgomery Meitler
Senior Counsel
Office of Legal Services
Texas Education Agency
1701 North Congress Avenue
Austin, Texas 78701-1494

OR2015-00392

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 549687 (TEA PIR# 23089).

The Texas Education Agency (the "agency") received a request for all documents related to fifteen named individuals. You state you will release some information to the requestor. You state the agency is withholding student-identifying information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code, and social security numbers pursuant to section 552.147(b) of the Government Code.¹ You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code and privileged under Texas Rule of Civil

¹The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office that FERPA does not permit state and local educational authorities to disclose to this office, without parental consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined that FERPA determinations must be made by the educational authority in possession of the education records. We have posted a copy of the letter from the DOE to this office on the Attorney General's website: <http://www.oag.state.tx.us/open/20060725usdoe.pdf>. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without requesting a decision from this office under the Act. Gov't Code § 552.147(b).

Procedure 192.5. We have considered your arguments and reviewed the submitted representative sample of information.²

Initially, you acknowledge the submitted information includes a completed investigation made by the agency that is subject to section 552.022 of the Government Code. Section 552.022(a)(1) provides for required public disclosure of "a completed report, audit, evaluation, or investigation made of, for, or by a governmental body," unless the information is excepted from disclosure under section 552.108 of the Government Code or is expressly confidential under the Act or "other law." Gov't Code § 552.022(a)(1). The Texas Supreme Court has held the Texas Rules of Civil Procedure are "other law" for the purposes of section 552.022. *See In re City of Georgetown*, 53 S.W.3d 328, 337 (Tex. 2001). Accordingly, we will address your claim under Texas Rule of Civil Procedure 192.5.

Rule 192.5 encompasses the attorney work product privilege. For purposes of section 552.022 of the Government Code, information is confidential under rule 192.5 only to the extent the information implicates the core work product aspect of the work product privilege. *See* Open Records Decision No. 677 at 9-10 (2002). Rule 192.5 defines core work product as the work product of an attorney or an attorney's representative, developed in anticipation of litigation or for trial, that contains the mental impressions, opinions, conclusions, or legal theories of the attorney or the attorney's representative. *See* TEX. R. CIV. P. 192.5(a), (b)(1). Accordingly, in order to withhold attorney core work product from disclosure under rule 192.5, a governmental body must demonstrate the material was (1) created for trial or in anticipation of litigation and (2) consists of the mental impressions, opinions, conclusions, or legal theories of an attorney or an attorney's representative. *Id.*

The first prong of the work product test, which requires a governmental body to show the information at issue was created in anticipation of litigation, has two parts. A governmental body must demonstrate (1) a reasonable person would have concluded from the totality of the circumstances surrounding the investigation there was a substantial chance litigation would ensue and (2) the party resisting discovery believed in good faith there was a substantial chance litigation would ensue and conducted the investigation for the purpose of preparing for such litigation. *See Nat'l Tank v. Brotherton*, 851 S.W.2d 193, 207 (Tex. 1993). A "substantial chance" of litigation does not mean a statistical probability, but rather "that litigation is more than merely an abstract possibility or unwarranted fear." *Id.* at 204. The second part of the work product test requires the governmental body to show the materials at issue contain the mental impressions, opinions, conclusions, or legal theories of an attorney or an attorney's representative. *See* TEX. R. CIV. P. 192.5(b)(1). A document

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

containing core work product information that meets both parts of the work product test is confidential under rule 192.5, provided that the information does not fall within the scope of the exceptions to the privilege enumerated in rule 192.5(c). *See Pittsburgh Corning Corp. v. Caldwell*, 861 S.W.2d 423, 427 (Tex. App.—Houston [14th Dist.] 1993, no writ).

Furthermore, if a requestor seeks a governmental body's entire litigation file, the governmental body may assert the file is excepted from disclosure in its entirety because such a request implicates the core work product aspect of the privilege. *See* ORD 677 at 5-6. Thus, in such a situation, if the governmental body demonstrates the file was created in anticipation of litigation, this office will presume the entire file is within the scope of the privilege. *See* Open Records Decision No. 647 at 5 (1996) (citing *Nat'l Union Fire Ins. Co. v. Valdez*, 863 S.W.2d 458, 461 (Tex. 1993)) (organization of attorney's litigation file necessarily reflects attorney's thought processes); *see also* *Curry v. Walker*, 873 S.W.2d 379, 380 (Tex. 1994) (holding "the decision as to what to include in [the file] necessarily reveals the attorney's thought processes concerning the prosecution or defense of the case").

You inform us the agency "regulates and oversees all aspects of the certification, continuing education, and enforcement of standards of conduct for certified educators in Texas public schools under the authority of [c]hapter 21 of the Education Code." *See* Educ. Code §§ 21.031(a), .041. You also explain the agency litigates enforcement proceedings under the Administrative Procedure Act (the "APA"), chapter 2001 of the Government Code. *See id.* § 21.041(b)(7); 19 T.A.C. § 249.3. You represent to this office the information you have marked consists of the entire investigation file of the agency's investigation, and contains analysis pertaining to the certification of an educator. You also state the file was created by attorneys, legal staff, and other representatives of the agency in anticipation of litigation. *Cf.* Open Records Decision No. 588 (1991) (contested case under APA constituted litigation for purposes of statutory predecessor to Gov't Code § 552.103). Based on your representations, we conclude the agency may withhold the information you have marked as core attorney work product under Texas Rule of Civil Procedure 192.5.

Section 552.116 of the Government Code provides the following:

- (a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state the remaining information consists of audit working papers prepared or maintained by the agency's Student Assessment Division Security Task Force in conducting an investigation of testing irregularities in the administration of statewide assessment instruments. You inform us the audit is authorized by section 39.057(a)(8) of the Education Code, which permits the Commissioner of Education to authorize special accreditation investigations to be conducted in response to an allegation regarding or an analysis using a statistical method result indicating a possible violation of an assessment instrument security procedure. *See* Educ. Code § 39.057 (listing circumstances in which the commissioner shall authorize investigations). Upon review, we agree section 552.116 is applicable to the information at issue. Therefore, the agency may withhold the remaining information under section 552.116 of the Government Code.

In summary, the agency may withhold the information you have marked as privileged under Texas Rule of Civil Procedure 192.5. The agency may withhold the remaining information under section 552.116 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
