Mr. Matthew K. Behrens
Assistant City Attorney
City of El Paso
P.O. Box 1890
El Paso, Texas 79950-1890

Dear Mr. Behrens:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 550716 (#W032042).

The City of El Paso (the "city") received a request for proposals for a specified request for proposals. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.104 of the Government Code excepts from required public disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). The purpose of section 552.104 is to protect the purchasing interests of a governmental body in competitive bidding situations where the governmental body wishes to withhold information in order to obtain more favorable offers. *See* Open Records Decision No. 592 (1991) (statutory predecessor to section 552.104 designed to protect interests of governmental body in competitive situation, and not interests of private parties submitting information to government). Section 552.104 protects information from

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

disclosure if the governmental body demonstrates potential harm to its interests in a particular competitive situation. *See* Open Records Decision No. 463 (1987). Generally, section 552.104 does not except bids from disclosure after bidding is completed and the contract has been executed. *See* Open Records Decision No. 541 (1990).

You state the city has opened bids, but not selected a proposal or awarded a contract to any bidder. You state the information contained in the bids is still being evaluated. Additionally, you assert release of the information will adversely affect the city's ability in negotiating the best deal for this bid. Based on your representations, we conclude the city may withhold the submitted information under section 552.104 of the Government Code until such time as a contract has been executed. *See* Open Records Decision No. 170 at 2 (1977) (release of bids while negotiation of proposed contract is in progress would necessarily result in advantage to certain bidders at the expense of others and could be detrimental to public interest in contract under negotiation).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
