Texas Parks & Wildlife Department

OR2015-01162

Dear Ms. Russell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 550796 (TPWD #2014-10-R41).

The Texas Parks and Wildlife Department (the "department") received a request for information pertaining to a background investigation conducted on the requestor. You state you have released most of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses federal and state laws that make criminal history record information ("CHRI") generated by the National Crime Information Center or by the Texas Crime Information Center confidential. CHRI means "information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, informations, and other formal criminal charges and their dispositions." *Id.* § 411.082(2). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. *See* Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual law with respect to the CHRI it generates. *Id.* at 10-12. Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety ("DPS") maintains, except that DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov't Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice

agency for a criminal justice purpose. *See id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* § 411.090-.127. Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F. We note CHRI does not include driving record information. *See id.* § 411.082(2)(B). Upon review, we find the information we have marked is confidential and must be withheld under section 552.101 of the Government Code in conjunction with chapter 411 of the Government Code and federal law.¹ However, upon review, we find none of the remaining information constitutes confidential CHRI for purposes of chapter 411 of the Government Code. Therefore, the department may not withhold any of the remaining information under section 552.101 of the Government Code on that basis. As you raise no other exceptions to disclosure, the remaining information must be released.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Alley Latham
Assistant Attorney General

¹We note the requestor can obtain his own CHRI from DPS. Gov't Code § 411.083(b)(3).

²We note the requestor has a special right of access to some of the information being released in this instance. *See Gov't Code* § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Thus, if the department receives another request for this information from a different requestor, the department must seek another ruling from this office.
