Chief Counsel
Capital Metropolitan Transportation Authority

Austin, Texas 78702

OR2015-02144

Dear Ms. Butcher:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 558946.

The Capital Metropolitan Transportation Authority (the "authority") received a request for any and all information pertaining to a specified accident. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note some of the submitted information, which we have marked, is not responsive to the instant request because it was created after the date the request was received. This ruling does not address the public availability of any information that is not responsive to the request and the authority is not required to release such information in response to this request.

Next, we note the submitted information contains a CR-3 crash report. Section 550.065(b) of the Transportation Code states except as provided by subsection (c) or subsection (e), accident reports are privileged and for the confidential use of certain specified entities. Transp. Code § 550.065(b). The submitted CR-3 crash report was completed pursuant to chapter 550 of the Transportation Code. *See id.* § 550.064 (officer's accident report). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.*

§ 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has provided the authority with the requisite information for the CR-3 crash report. Accordingly, the submitted CR-3 crash report must be released to this requestor pursuant to section 550.065(c)(4) of the Transportation Code.

We note the remaining responsive information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part, the following:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108;

Gov't Code § 552.022(a)(1). The remaining responsive information consists of a completed investigation that is subject to section 552.022(a)(1). The authority must release this information pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code, or is made confidential under the Act or other law. *See id.* Although you assert this information is excepted from disclosure under section 552.103 of the Government Code, this section is discretionary and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision No. 542 at 4 (1990) (statutory predecessor to section 552.103 may be waived); *see also* Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). Therefore, the authority may not withhold the remaining responsive information under section 552.103. However, we note a portion of the information at issue is subject to section 552.130 of the Government Code, which makes information confidential under the Act.¹ Thus, we will address the applicability of section 552.130 to this information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). We conclude the authority must withhold the information we have marked and indicated under section 552.130 of the Government Code.

¹The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

In summary, the authority must release the CR-3 crash report to this requestor pursuant to section 550.065(c)(4) of the Transportation Code. The authority must withhold the information we have marked and indicated under section 552.130 of the Government Code. The remaining responsive information must be released.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Daniel Olds
Assistant Attorney General

²We note the information being released contains a social security number. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. Gov't Code § 552.147. However, in this instance, the requestor has a right of access to his client's social security number and it must be released to him. *See id.* § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles).
