Ms. J. Diaz
Assistant City Attorney
City of Dallas
1400 South Lamar
Dallas, Texas 75215

OR2015-02980

Dear Ms. Diaz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 554489 (ORR# 2014-8832).

The Dallas Police Department (the "department") received a request for 9-1-1 calls, body camera video recordings, dash camera video recordings, and security video recordings pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have submitted only 9-1-1 calls that are responsive to the instant request for information. You have not submitted information responsive to the remaining portions of the request. Although you state the department has submitted a representative sample of the requested information, we find the submitted information is not representative of all the types of information to which the requestor seeks access. Please be advised, this open records letter ruling applies only to the types of information you have submitted for our review. This ruling does not authorize the authority to withhold any information that is substantially different from the types of information you submitted to this office. *See* Gov't Code § 552.302 (where request for attorney general decision does not comply with requirements of Gov't Code § 552.301, information at issue is presumed to be public). Accordingly, to the extent any information responsive to the remaining portions of the request existed on the date the department received the request, we assume the department

has released it. If the department has not released any such information, it must do so at this time. *See id.* §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Next, we note, and you acknowledge, the department did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov't Code § 552.301(b), (e). A governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption the requested information is public and must be released unless a governmental body demonstrates a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); Open Records Decision No. 319 (1982). This statutory presumption can generally be overcome when information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982).

Although you raise section 552.108 of the Government Code, this section is a discretionary exception to disclosure that protect a governmental body's interests and may be waived. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions in general), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Thus, in failing to comply with section 552.301, the department has waived its argument under section 552.108. However, the interests of a governmental body, other than the one that failed to comply with section 552.301, to withhold information under section 552.108 can provide a compelling reason for non-disclosure under section 552.302. *See* Open Records Decision Nos. 586 (1991), 469 (1987). You inform us the Dallas County District Attorney's Office (the "district attorney's office") objects to the release of the information at issue. Therefore, we will consider whether the department may withhold the submitted information under section 552.108 of the Government Code on behalf of the district attorney's office.

Section 552.108(b)(1) excepts from required public disclosure an internal record of a law enforcement agency maintained for internal use in matters relating to law enforcement or prosecution if "release of the internal record or notation would interfere with law enforcement or prosecution." Gov't Code § 552.108(b)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977); Open Records Decision No. 434 at 2-3 (1986). You state, and submit correspondence from the district attorney's office representing, the submitted information pertains to a pending criminal investigation. As stated above, the district attorney's office objects to the release of the submitted information. Based on your representations, we conclude the release of the submitted information would interfere with

the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the department may withhold the submitted information under section 552.108(b)(1) of the Government Code on behalf of the district attorney's office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
