Re: Request for any and all information regarding call history to the Emergency Communications Center and dispatching for the fire in Leander on Red Hawk Drive on Monday, 02/23/15 including the time the first call came in, the time the call was answered, what time the fire department or any other first responders were dispatched; any and all information indicating a delay in ANY portions of the handling/taking of the call

Dear Ms. Francis:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 564654.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You claim the submitted information may be withheld from public disclosure pursuant to section 552.108(a)(1) of the Government Code on behalf a law enforcement agency with a law enforcement interest. Further, you inform this office the law enforcement agency objects to the disclosure of the information because it relates to an ongoing criminal case and release would interfere with the case. Thus, we conclude you may withhold the submitted information pursuant to section 552.108(a)(1).

For more information on the cited exception, please refer to the open government information on our website at <https://www.oag.state.tx.us/open/memorulings.shtml>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
