Mr. R. John Cullar  
Counsel For City of Lorena  
Cullar & McLeod, L.L.P.

Waco, Texas 76701

OR2015-07594

Dear Mr. Cullar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 565749.

The Lorena Police Department (the "department"), which you represent, received a request for information regarding a specified incident. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). The department states the submitted information relates to a pending criminal investigation and prosecution. We note the submitted information includes a citation, which we have marked. Because the individual who was cited received a copy of the citation, we find release of the citation will not interfere with the detection, investigation, or prosecution of

crime. Therefore, the department may not withhold the citation under section 552.108(a)(1). Based on the department's representation, we conclude the release of the remaining information in Exhibit 3 would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the marked citation and basic information, the department may withhold the information in Exhibit 3 under section 552.108(a)(1) of the Government Code.

We note portions of the citation are subject to section 552.130 of the Government Code.<sup>1</sup> Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, in releasing the marked citation to the requestor, the department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. With the exception of basic information, which the department states it has released, the department may withhold the remaining information in Exhibit 3 under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
