Dear Ms. White:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 566222.

The Flower Mound Police Department (the "department"), which you represent, received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes a magistrate-signed document, which is subject to section 552.022 of the Government Code. Section 552.022(a)(17) provides for the required public disclosure of "information that is also contained in a public court record" unless it is "made confidential under [the Act] or other law[.]" Gov't Code § 552.022(a)(17). Although you raise section 552.108 of the Government Code, section 552.108 is a discretionary exception and does not make information confidential under the Act. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). As such, section 552.108 does not make information confidential for the purposes of section 552.022(a)(17). Therefore, the magistrate-signed document, which we have marked, may not be withheld under section 552.108. As you raise no further exceptions to disclosure of this information, it must

be released. However, we will address the applicability of your arguments to the remaining information, which is not subject to section 552.022.

Next, we address your argument against the information not subject to section 552.022. Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information pertains to a pending criminal investigation and prosecution. Based on this representation, we conclude section 552.108(a)(1) is generally applicable to the remaining information. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). We note, however, the information at issue includes a DIC-24 statutory warning. The department provided a copy of this form to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered basic information). Accordingly, with the exception of the DIC-24 form and basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.¹

The DIC-24 form contains information subject to section 552.130 of the Government Code. Section 552.130 provides that information relating to a motor vehicle operator’s or driver’s license or permit issued by an agency of this state or another state or country is excepted from public release. Gov’t Code § 552.130(a)(1). The department must withhold the information we have marked under section 552.130 of the Government Code.

In summary, the department must release the magistrate-signed document we have marked pursuant to section 552.022(a)(17) of the Government Code. Except for the information we have marked under section 552.130 of the Government Code, which must be withheld, the

the DIC-24 form must be released. Except for basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
