Mr. Matthew Cherry  
Public Information Coordinator  
Texas Alcoholic Beverage Commission  
P.O. Box 13127

OR2015-10505

Dear Mr. Cherry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 567310.

The Texas Alcoholic Beverage Commission (the "commission") received a request for information pertaining to a named establishment. The commission states it has released some of the requested information, but claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 5.48 of the Alcoholic Beverage Code, which provides as follows:

- (a) "Private records," as used in this section, means all records of a permittee, licensee, or other person other than the name, proposed location, and type of permit or license sought in an application for an original or renewal permit or license, or in a periodic report relating to the importation, distribution, or sale of alcoholic beverages required by the commission to be regularly filed by a permittee or licensee.
- (b) The private records of a permittee, licensee, or other person that are required or obtained by the commission or its agents, in connection with an

investigation or otherwise, are privileged unless introduced in evidence in a hearing before the commission or before a court in this state or the United States.

Alco. Bev. Code § 5.48. The term “privileged” in this statute has been construed to mean “confidential” for purposes of the Act. Attorney General Opinion JM-1235 at 2 (1990); Open Records Decision Nos. 186 (1978), 62 (1974). Thus, section 5.48 makes confidential any records required or obtained by the commission, with the exception of “the name, proposed location, and type of permit or license sought in an application for an original or renewal permit or license” and “a periodic report relating to the importation, distribution, or sale of alcoholic beverages required by the commission to be regularly filed by a permittee or licensee.” Alco. Bev. Code § 5.48.

You inform us the submitted information consists of applications submitted by a permittee to the commission. You state you have released the name, proposed location, and type of permit sought in the applications to the requestor. You further state the submitted information has not been introduced as evidence in a hearing before the commission or a court in Texas or the United States. Based on your representations, we find the submitted information constitutes private records under section 5.48 of the Alcoholic Beverage Code. Accordingly, the commission must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 5.48 of the Alcoholic Beverage Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
