ATTORNEY GENERAL OF TEXAS

May 29, 2015

Mr. Mark G. Daniel
Counsel for the City of Watauga
Evans, Daniel, Moore, Evans & Biggs
115 West Second Street, Suite 202
Fort Worth, Texas 76102

OR2015-10562

Dear Mr. Daniel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 565193 (PIR #15-129-PD).

The City of Watauga (the "city"), which you represent, received a request for the duty roster of the city's police department's (the "department") day shift on a specified date. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that is made confidential by other statutes. Sections 418.176 through 418.182 were added to chapter 418 of the Government Code as part of the Texas Homeland Security Act (the "HSA"). These provisions make certain information related to terrorism confidential. Section 418.176 of the HSA provides, in relevant part:

- (a) Information is confidential if the information is collected, assembled, or maintained by or for a governmental entity for the purpose of preventing,

detecting, responding to, or investigating an act of terrorism or related criminal activity and:

(1) relates to the staffing requirements of an emergency response provider, including a law enforcement agency, a fire-fighting agency, or an emergency services agency; [or]

(2) relates to a tactical plan of the provider; or

(3) consists of a list or compilation of pager or telephone numbers, including mobile and cellular telephone numbers of the provider.

Id. § 418.176(a)(1)-(3). The fact information may be related to a governmental body's emergency response preparedness or security concerns does not make such information *per se* confidential under the HSA. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any exception to disclosure, a governmental body asserting one of the confidentiality provisions of the HSA must adequately explain how the responsive records fall within the scope of the claimed provision. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

The submitted information consists of a duty roster for police officers on duty during the day shift of a particular date. You inform us this information reveals the response capability of the city to a terrorist attack on the city. You indicate this information is assembled and maintained by the department for the purpose of preventing, detecting, responding to, or investigating an act of terrorism or related criminal activity and relates to the staffing requirements of the department. Based on your representations and our review, we find the submitted information is confidential under section 418.176 of the Government Code and the city must withhold it under section 552.101 of the Government Code on this basis.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

¹As our ruling is dispositive, we need not address your argument against disclosure of this information.
