OR2015-13414

Dear Ms. Monterrosa:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 569897.

The City of Abilene (the "city") received a request for thirteen categories of information related to MetroCare and ambulance service. You state the city has released some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 773.091 of the Health & Safety Code, which provides:

- (a) A communication between certified emergency medical services personnel or a physician providing medical supervision and a patient that is made in the course of providing emergency medical services to the patient is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

Health & Safety Code § 773.091(a)–(b). You raise section 773.091(a) for the submitted information. However, we find none of the submitted information consists of communications with a patient made in the course of providing emergency medical services. Accordingly, the city may not withhold the submitted information under section 552.101 of the Government Code on that basis. You also raise section 773.091(b) for the submitted information. However, we find none of the submitted information consists of records of the identity, evaluation, or treatment of a patient by emergency medical services personnel for purposes of section 773.091(b). Accordingly, the city may not withhold the submitted information under section 552.101 of the Government Code on that basis.

Section 552.101 of the Government Code also encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 of the Transportation Code applies to only a written report of an accident required under section 550.061, 550.062, or 601.004. Act of June 1, 2015, 84th Leg., R.S., H.B. 2633, § 1 (to be codified at Transp. Code § 550.065(a)(1)). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). Act of June 1, 2015, 84th Leg., R.S., H.B. 2633, § 1 (to be codified at Transp. Code § 550.065(c), (c-1)). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident report, which we marked, is confidential under section 550.065(b), and the city must withhold it under section 552.101 of the Government Code. However, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report. Accordingly, the city must release a redacted copy of the accident report we marked pursuant to section 550.065(c-1) of the Transportation Code.

Section 552.101 of the Government Code also encompasses common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to

the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *See id.* at 681–82. The types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). Upon review, we find the information we marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.117 of the Government Code excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of current or former officials or employees of a governmental body who request this information be kept confidential under section 552.024 of the Government Code.¹ Gov't Code § 552.117(a). Whether a particular piece of information is protected by section 552.117 must be determined at the time the request for it is made. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for the information. Information may not be withheld under section 552.117(a)(1) on behalf of a current or former employee who did not timely request under section 552.024 the information be kept confidential. We note section 552.117 also encompasses a personal cellular telephone or pager number, unless the cellular or pager service is paid for by a governmental body. *See* Open Records Decision No. 506 at 5–7 (1988) (statutory predecessor to section 552.117 not applicable to cellular telephone numbers provided and paid for by governmental body and intended for official use). We marked several cellular telephone numbers that might be confidential under section 552.117(a)(1). If these cellular telephone numbers are not paid for with city funds and the individuals elected to keep this information confidential, the city must withhold the information we marked under section 552.117(a)(1) of the Government Code.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle title or registration issued by an agency of this state or another state or country. Gov't Code § 552.130(a)(2). Accordingly, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The remaining information is not subject to section 552.130 of the Government Code and the city may not withhold it.

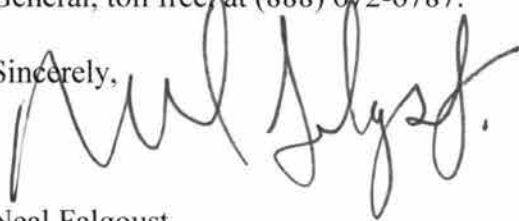

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

In summary, the city must release a redacted copy of the accident report we marked in under section 552.101 of the Government Code in conjunction with section 550.065(c-1) of the Transportation Code. The city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. If the cellular telephone numbers we marked are not paid for with city funds and the individuals elected to keep this information confidential, the city must withhold the information we marked under section 552.117(a)(1) of the Government Code. The city must withhold the information we marked under section 552.130 of the Government Code. The city must release the remaining information.
