

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 10, 2015

Mr. Daniel Ortiz
Assistant City Attorney
Office of the City Attorney
City of El Paso
P.O. Box 1890
El Paso, Texas 79950-1890

OR2015-14008

Dear Mr. Ortiz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 576560 (ORR# 15-1026-6297).

The El Paso Police Department (the "department") received a request for information related to case number 15-126021. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to an active investigation or prosecution. Generally, the release of information pertaining to an open case is presumed to interfere with the criminal investigation. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active

cases). We note, however, the information at issue includes a DIC-24 Statutory Warning. The Statutory Warning has previously been provided to the arrestee. Because this document has previously been released to the arrestee, we find you have not shown how its release will interfere with the detection, investigation, or prosecution of crime, and these documents may not be withheld under section 552.108(a)(1). *See* Gov't Code § 552.108(a)(1). Because the remaining information at issue has not been previously released, we conclude release of this information would interfere with the detection, investigation, or prosecution of crime. Thus, we find section 552.108(a)(1) is applicable to the remaining information at issue.

However, we note, and you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

We note a portion of the Statutory Warning is subject to section 552.130 of the Government Code.¹ Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information within the Statutory Warning under section 552.130 of the Government Code.

In summary, the department must release the submitted Statutory Warning; however, in releasing this document, the department must withhold the motor vehicle record information under section 552.130 of the Government Code. With the exception of the basic information, which must be released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).
