ATTORNEY GENERAL OF TEXAS

July 13, 2015

Ms. Katie Leininger
Assistant City Attorney
City of Pearland
3519 Liberty Drive
Pearland, Texas 77581

OR2015-14082

Dear Ms. Leininger:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 577137.

The City of Pearland (the "city") received a request for a specified police report. You state the city has released some information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

A portion of the submitted information is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Act of June 1, 2015, 84th Leg., R.S., H.B. 2633, § 1 (to be codified at Transp. Code § 550.065(a)(1)). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). Act of June 1, 2015, 84th Leg., R.S., H.B. 2633, § 1 (to be codified at Transp. Code § 550.065(c), (c-1)). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Although the city asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the city may not withhold the information under section 552.108 of the Government Code. Thus, the city must release the accident report to this requestor pursuant to section 550.065(c).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

You state the submitted information pertains to an active criminal investigation. Based on your representation, we find the city has demonstrated release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, we note, and you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the accident report, which must be released to this requestor pursuant to section 550.065(c) of the Transportation Code, and the basic information, which you state has been released, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
