ATTORNEY GENERAL OF TEXAS

July 13, 2015

Mr. Galen Gatten
Assistant City Attorney
City of Fort Worth
1000 Throckmorton Street, 3rd Floor
Fort Worth, Texas 76102

OR2015-14128

Dear Mr. Gatten:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 571374 (CFW PIR Req. No. W042206).

The City of Fort Worth (the "city") received a request for a specified police report. We understand you will redact social security numbers pursuant to section 552.147(b) of the Government Code.¹ You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code.² We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (permitting interested third party to submit to attorney general reasons why requested information should or should not be released). We have considered the submitted arguments and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101.

¹We note section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See* Gov't Code § 552.147(b).

²Although you do not raise section 552.130 of the Government Code in your briefing to this office, we understand you to raise this exception based on your markings in the submitted documents.

Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987).

Generally, only highly intimate information implicating the privacy of an individual is withheld. However, in certain instances, where it is demonstrated the requestor knows the identity of the individual involved, as well as the nature of certain incidents, the entire report must be withheld to protect the individual's privacy. In this instance, although the city seeks to withhold the entirety of the submitted information under section 552.101 in conjunction with common-law privacy, we find this is not a situation in which the entirety of the information at issue must be withheld on the basis of common-law privacy. Accordingly, the city may not withhold the entirety of the submitted information under section 552.101 of the Government Code. However, upon review, we find the information we have marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Thus, the information we have marked must be withheld under section 552.101 of the Government Code in conjunction with common-law privacy. However, the city has failed to demonstrate the remaining information is highly intimate or embarrassing and of no legitimate public interest. Thus, the remaining information may not be withheld under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a). We note the requestor has a right of access to the requestor's own motor vehicle record information pursuant to section 552.023 of the Government Code. *See id.* § 552.023(a) ("person or a person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person's privacy interests"); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself). However, the city must withhold the motor vehicle record information that does not pertain to the requestor, which we have marked, under section 552.130 of the Government Code.

In summary, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
