Dear Mr. Guy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 572118.

The Victoria County Sheriff's Office (the "sheriff's office") received a request for information related to a specified motor vehicle accident. You claim some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to her own motor vehicle record information under section 552.023 of the Government Code and it may not be withheld from her under section 552.130. *See id.* § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Therefore, with the exception of the requestor's motor vehicle record information, the sheriff's office must withhold the motor vehicle record information

you have marked under section 552.130 of the Government Code. The sheriff's office must release the remaining information.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
