

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

July 13, 2015

Mr. Daniel Ortiz  
Assistant City Attorney  
City of El Paso  
P.O. Box 1890  
El Paso, Texas 79950-1890

OR2015-14194

Dear Mr. Ortiz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 575994 (El Paso Ref. No. 15-1026-6279).

The El Paso Police Department (the "department") received a request for a specified video. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 418.182 of the Government Code, which was added to chapter 418 of the Government Code as part of the Texas Homeland Security Act ("HSA"). Section 418.182(a) of the Government Code provides in relevant part, "information . . . in the possession of a governmental entity that relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity is confidential." *Id.* § 418.182(a). The fact that information may be related to a security system does not make the information *per se* confidential under section 418.182. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any confidentiality provision, a governmental body asserting section 418.182 must adequately

explain how the responsive information falls within the scope of the statute. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

The submitted information consists of surveillance video from a parking lot of a department substation. You state the information “shows the location of a security system which is used to protect the public from an act of terrorism and criminal activity.” You also state the information “relates to the capabilities of the security system” and “discloses details about which areas of the substation are covered by video surveillance.” Upon review, we find the submitted video recordings relate to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity. *See Tex. Dep't of Pub. Safety v. Abbott*, 310 S.W.3d 670 (Tex. App.—Austin 2010, no pet.) (finding confidential under section 418.182 of the HSA video recording containing images recorded by security cameras in Texas Capitol hallway because specifications of security system included cameras' capabilities and video recording demonstrated those capabilities through characteristics, quality, and clarity of images recorded). Accordingly, the department must withhold the submitted video recordings under section 552.101 of the Government Code in conjunction with section 418.182(a) of the Government Code.<sup>1</sup>
