

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 21, 2015

Mr. James Kopp
Assistant City Attorney
City of San Antonio
Office of the City Attorney
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2015-14834

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 572400 (COSA File No. W081217).

The City of San Antonio (the "city") received a request for information regarding a specified case number involving two named individuals. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Act of June 1, 2015, 84th Leg., R.S., H.B. 2633, § 1 (to be codified at Transp. Code § 550.065(a)(1)). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). Act of June 1, 2015, 84th Leg., R.S., H.B. 2633, § 1 (to be codified at Transp. Code § 550.065(c), (c-1)). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

The submitted information includes a CR-3 accident report. Here, the requestor is a person listed under section 550.065(c). Although the city asserts section 552.103 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.103 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the city may not withhold the information under section 552.103 of the Government Code. Thus, the city must release the submitted CR-3 accident report to the requestor pursuant to section 550.065(c).

Section 552.103 of the Government Code provides in relevant part as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation is pending or reasonably anticipated on the date the governmental body received the request for information and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted from disclosure under section 552.103(a).

The question of whether litigation is reasonably anticipated must be determined on a case-by-case basis. *See* Open Records Decision No. 452 at 4 (1986). To establish litigation is reasonably anticipated, a governmental body must provide this office "concrete evidence showing that the claim that litigation may ensue is more than mere conjecture." *Id.* In Open Records Decision No. 638 (1996), this office stated a governmental body has met its burden of showing litigation is reasonably anticipated by representing it received a notice-of-claim

letter that is in compliance with the Texas Tort Claims Act ("TTCA"), chapter 101 of the Civil Practices and Remedies Code.

The city states it received a notice-of-claim letter before receiving the request for information and the notice complies with the requirements of the TTCA. Thus, we find the city reasonably anticipated litigation when it received the request for information. We also find the city has established the remaining information is related to the anticipated litigation for purposes of section 552.103(a). Therefore, the city may withhold the remaining information under section 552.103(a) of the Government Code.

However, once the information has been obtained by all parties to the anticipated litigation, no section 552.103(a) interest exists with respect to that information. Open Records Decision No. 349 at 2 (1982). We also note the applicability of section 552.103(a) ends when the litigation has concluded. Attorney General Opinion MW-575 at 2 (1982); Open Records Decision Nos. 350 at 3 (1982), 349 at 2.

In summary, the city must release the submitted CR-3 accident report to the requestor pursuant to section 550.065(c) of the Transportation Code.¹ The city may withhold the remaining information under section 552.103(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
