

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 22, 2015

Mr. James Kopp
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2015-14964

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 572373 (COSA File No.: W081597).

The City of San Antonio (the "city") received a request for the video recordings from five specified police units during a specified period of time. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the requestor only seeks specified video recordings. Accordingly, the offense reports you submitted are not responsive to the request for information. This ruling does not address the public availability of non-responsive information, and the city is not required to release non-responsive information in response to this request.

Next, we note the city only submitted information responsive to one of the five requested video recordings. To the extent any additional responsive information existed on the date the city received the request, we presume you have released it. If not, you must do so at this time. *See* Gov't Code §§ 552.301, .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to the requested information, it must release the information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes, such as section 261.201 of the Family Code, which provides, in relevant part:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under [chapter 261 of the Family Code] and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under [chapter 261 of the Family Code] or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted video was used or developed in an investigation of alleged or suspected child abuse; thus, this information falls within the scope of section 261.201 of the Family Code. *See id.* §§ 101.003(a) (defining “child” for purposes of section 261.201 as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code). As the city does not indicate the city’s police department has adopted a rule that governs the release of this type of information, we assume no such regulation exists. Given that assumption, and based on our review, we determine the submitted information is confidential pursuant to section 261.201 of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute). Therefore, the city must withhold the submitted responsive information in its entirety under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

¹As our ruling is dispositive, we need not address your remaining argument against disclosure.
