ATTORNEY GENERAL OF TEXAS

Ms. Charla Thomas  
Deputy City Attorney  
City of Temple  
2 North Main Street  
Temple, Texas 76501

OR2015-15890

Dear Ms. Thomas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 579327.

The City of Temple (the "city") received a request for information regarding case number 15006382. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we note a portion of the submitted information is subject to chapter 550 of the Transportation Code. Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."<sup>2</sup> Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Act of

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

<sup>2</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

June 1, 2015, 84th Leg., R.S., H.B. 2633, § 1 (to be codified at Transp. Code § 550.065(a)(1)). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). Act of June 1, 2015, 84th Leg., R.S., H.B. 2633, § 1 (to be codified at Transp. Code § 550.065(c), (c-1)). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. Transp. Code § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the city must withhold it under section 552.101 of the Government Code. However, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report. Although the city asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c-1) prevails and the city may not withhold the information under section 552.108 of the Government Code. Thus, the city must release the redacted accident report to the requestor pursuant to section 550.065(c-1) of the Transportation Code.

We next address your claim under section 552.108 of the Government Code for the remaining information. Section 552.108 excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

You state the information at issue relates to an active criminal case. Based upon this representation, we find the city has demonstrated the release of the information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle*

*Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note, however, the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The DIC-24 and DIC-25 forms have previously been provided to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

In addition, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the DIC-24 and DIC-25 forms and basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code provides that information relating to a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a)(1). Accordingly, the city must withhold the information we have marked in the DIC-24 and DIC-25 forms under section 552.130 of the Government Code.

In summary, the submitted accident report is confidential under section 550.065(b), and the city must withhold it under section 552.101 of the Government Code; however, the city must release a redacted accident report to the requestor pursuant to section 550.065(c-1) of the Transportation Code. With the exception of the DIC-24 and DIC-25 forms and basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code. In releasing the DIC-24 and DIC-25 forms and basic information, the city must withhold the information we have marked in the DIC-24 and DIC-25 forms under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
