

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 7, 2015

Mr. Mark E. Dempsey
Assistant City Attorney
City of Garland
P.O. Box 469002
Garland, Texas 75046-9002

OR2015-16307

Dear Mr. Dempsey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 574847.

The City of Garland (the "city") received a request for account holder names, addresses, and phone numbers associated with a specified name and social security number. You claim the submitted information is excepted from disclosure under section 552.133 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Section 552.133 of the Government Code excepts from disclosure a public power utility's information that is "reasonably related to a competitive matter." Gov't Code § 552.133(b). Section 552.133 provides in relevant part:

(a) In this section, "public power utility" means an entity providing electric or gas utility services that is subject to the provisions of this chapter.

(a-1) For purposes of this section, "competitive matter" means a utility-related matter that is related to the public power utility's competitive activity, including commercial information, and would, if disclosed, give advantage to competitors or prospective competitors. The term:

(1) means a matter that is reasonably related to the following categories of information:

...

(F) customer billing, contract, and usage information, electric power pricing information, system load characteristics, and electric power marketing analyses and strategies[.]

Id. § 552.133(a), (a-1)(1)(F). Section 552.133(a-1)(2) provides fifteen categories of information that are not competitive matters. *Id.* § 552.133(a-1)(2).

You explain the city is a municipality that owns and operates its own electric utility for the purposes of section 552.133. You assert the information at issue pertains to the public power utility's "competitive customer information." You indicate the submitted information pertains to the city's competitive activity, specifically identified by section 552.133(a-1)(1)(F). Further, the information at issue is not among the fifteen categories of information expressly excluded from the definition of "competitive matter" by section 552.133(a-1)(2). Based on your representations and our review, we find the information at issue relates to competitive matters as defined by section 552.133(a-1). Thus, we conclude the city must withhold the information at issue under section 552.133 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
