Mr. John A. Haislet  
Assistant City Attorney II  
Legal Department  
City of College Station  
P.O. Box 9960  
College Station, Texas 77842

OR2015-16327

Dear Mr. Haislet:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 574483.

The City of College Station (the "city") received a request for the total number of untested sexual assault kits in the custody of the city's police department during a specified time period and the year the kits were collected. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108 of the Government Code provides, in part, the following:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from the requirements of Section 552.021 if:

(1) release of the information would interfere with the detection, investigation, or prosecution of crime;

(2) it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication;

(3) it is information relating to a threat against a peace officer or detention officer collected or disseminated under Section 411.048; or

(4) it is information that:

(A) is prepared by an attorney representing the state in anticipation of or in the course of preparing for criminal litigation; or

(B) reflects the mental impressions or legal reasoning of an attorney representing the state.

(b) An internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution is excepted from the requirements of Section 552.021 if:

(1) release of the internal record or notation would interfere with law enforcement or prosecution;

(2) the internal record or notation relates to law enforcement only in relation to an investigation that did not result in conviction or deferred adjudication; or

(3) the internal record or notation:

(A) is prepared by an attorney representing the state in anticipation of or in the course of preparing for criminal litigation; or

(B) reflects the mental impressions or legal reasoning of an attorney representing the state.

Gov't Code § 552.108(a)-(b). A governmental body claiming section 552.108(a)(1) or section 552.108(b)(1) must reasonably explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), (b)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). You do not inform us the submitted information pertains to an ongoing criminal investigation or prosecution, nor have you explained how its release would interfere with the detection, investigation, or prosecution of crime. Thus, the city has not met its

burden under section 552.108(a)(1) or section 552.108(b)(1). A governmental body claiming section 552.108(a)(2) or section 552.108(b)(2) must demonstrate the information at issue relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. You have not demonstrated the information relates to an investigation that has concluded in a result other than conviction or deferred adjudication. Thus, the city has not met its burden under section 552.108(a)(2) or section 552.108(b)(2). Section 552.108(a)(3) is also inapplicable as the information at issue does not relate to a threat against a police officer. *See* Gov't Code § 552.108(a)(3). Finally, you do not assert the information at issue was prepared by an attorney representing the state or that it reflects the mental impressions or legal reasoning of an attorney representing the state. *See id.* § 552.108(a)(4), (b)(3). Thus, the city has not met its burden under section 552.108(a)(4) or section 552.108(b)(3). Accordingly, the city may not withhold any portion of the submitted information under section 552.108 of the Government Code. As you raise no further exceptions to disclosure, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
