ATTORNEY GENERAL OF TEXAS

Ms. Lauren Wood
Counsel for Plano Independent School District

P.O. Box 1210
McKinney, Texas 75070-1210

OR2015-16390

Dear Ms. Wood:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 575219.

The Plano Independent School District (the "district"), which you represent, received a request for information pertaining to a specified term for a specified time period.¹ You state the district redacted information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.² You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We

¹We note the district sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or student consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. A copy of this letter may be found on the Office of the Attorney General's website: <http://www.oag.state.tx.us/open/20060725usdoe.pdf>.

have considered the exception you claim and reviewed the submitted representative sample of information.³

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code, which provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body[.]

Gov't Code § 552.022(a)(3). The submitted information includes contracts and invoices relating to the receipt or expenditure of funds by the district that are subject to section 552.022(a)(3). The district must release this information pursuant to section 552.022(a)(3), unless it is made confidential under the Act or other law. *See id.* Although you raise section 552.103 of the Government Code for this information, section 552.103 is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999). Therefore, the district may not withhold the information subject to section 552.022(a)(3), which we have marked, under section 552.103 of the Government Code. As you raise no other exceptions to disclosure for this information, it must be released. However, we will consider the district's argument under section 552.103 of the Government Code for the remaining information.

Section 552.103 of the Government Code provides, in part, the following:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

³We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show section 552.103(a) is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551.

You inform us, and provide documentation showing, prior to the district's receipt of the instant request a former district student and his parents requested a due process hearing involving the district before the Texas Education Agency. We understand the due process hearing is a contested case hearing, which is governed by the APA, chapter 2001 of the Government Code. This office has concluded a contested case under the APA constitutes litigation for purposes of the statutory predecessor to section 552.103. Open Records Decision No. 588 (1991). Based on your representations and our review, we determine litigation involving the district was pending on the date the district received the request for information. Furthermore, we find the information at issue relates to the pending litigation because it pertains to the basis of the litigation. Accordingly, the district may withhold the remaining information under section 552.103 of the Government Code.

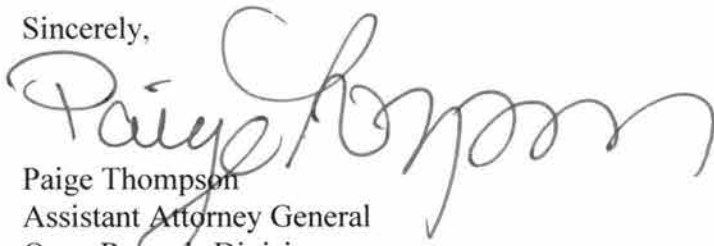

However, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to all parties to the pending or anticipated litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded or is no longer anticipated. *See* Attorney General Opinion MW-575 (1982); *see also* Open Records Decision No. 350 (1982).

In summary, the district must release the information subject to section 552.022(a)(3) of the Government Code, which we have marked. The district may withhold the remaining information under section 552.103 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
