ATTORNEY GENERAL OF TEXAS

Ms. Tracie Reilly
Assistant City Attorney
Public Safety Legal Advisor
City of Amarillo

Amarillo, Texas 79101

OR2015-18682

Dear Ms. Reilly:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 584032 (Request No. 15-1468).

The Amarillo Police Department (the "department") received a request for two specified police reports. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted representative sample of information.²

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.007 of the Family Code, which makes confidential juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997. *See* Fam. Code § 58.007(c). Section 58.007 provides, in relevant part, the following:

¹We note the department did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov't Code § 552.301(b). Nevertheless, because the exception you claim can provide a compelling reason to overcome the presumption of openness, we will consider your claimed exception for the submitted information. *See id.* §§ 552.007, .302, .352.

²We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Id. § 58.007(c). Upon review, we find the submitted information involves alleged juvenile delinquent conduct or conduct indicating a need for supervision that occurred after September 1, 1997. *See id.* §§ 51.02(2) (for purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age when the conduct occurred), .03(a), (b) (defining “delinquent conduct” and “conduct indicating a need for supervision”). The exceptions in section 58.007 do not appear to apply. Therefore, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Kristi L. Godden
