Ms. Stephanie Storm
City of Wylie
300 Country Club Drive, #100
Wylie, Texas 75098

OR2015-20218

Dear Ms. Storm:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 580787.

The City of Wylie (the "city") received a request for the backflow list for July 2015. You state the city released some information. You claim the submitted responsive information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 182.052 of the Utilities Code provides in relevant part the following:

- (a) Except as provided by Section 182.054, a government-operated utility may not disclose personal information in a customer's account record, or any information relating to the volume or units of utility usage or the amounts billed to or collected from the individual for utility usage, if the customer requests that the government-operated utility keep the information confidential. However, a government-operated utility may disclose information related to the customer's volume or units of utility usage or amounts billed to or collected from the individual for utility usage if the primary source of water for such utility was a sole-source designated aquifer.
- (b) A customer may request confidentiality by delivering to the government-operated utility an appropriately marked form provided under Subsection (c)(3) or any other written request for confidentiality.

Util. Code § 182.052(a)-(b). "Personal information" under section 182.052(a) means an individual's address, telephone number, or social security number, but does not include an individual's name. *See id.* § 182.051(4); *see also* Open Records Decision No. 625 (1994) (construing statutory predecessor). The scope of utility services covered by section 182.052 includes water, wastewater, sewer, gas, garbage, electricity, or drainage service. Util. Code § 182.051(3).

You state the information you have marked in the submitted information consists of the addresses of individuals who have timely elected to keep their personal information confidential. You do not indicate any of the exceptions listed in section 182.054 apply in this instance. Upon review, we find the city must withhold the customer addresses you have marked under section 552.101 of the Government Code in conjunction with section 182.052(a) of the Utilities Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
