Dear Ms. Mares:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 583564.

The City of McKinney (the "city"), which you represent, received a request for information pertaining to a specified investigation. We note the city has redacted motor vehicle record information under section 552.130 of the Government Code and social security numbers under section 552.147 of the Government Code.¹ The city claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Initially, we note some of the requested information was the subject of a previous request for information, in response to which this office issued Open Records Letter No. 2015-14910 (2015). In Open Records Letter No. 2015-14910, we determined the city must release the information at issue. We have no indication the law, facts, or circumstances on which the

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsection 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. *See id.* § 552.147(b).

prior ruling was based have changed. Accordingly, the city must continue to rely on Open Records Letter No. 2015-14910 as a previous determination and release the identical information in accordance with that ruling.

Section 552.108(a) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). The city states the submitted information relates to a pending criminal investigation or prosecution. We note this office has held the arson investigation unit of a fire department is a law enforcement entity for purposes of section 552.108. *See Open Record Decision No. 127 (1976) (Arson Investigation Division of Dallas Fire-Rescue Department deemed to be law enforcement agency for purposes of statutory predecessor to section 552.108)*. Thus, based on your representations, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of basic information, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code.²

To conclude, the city must continue to rely on Open Records Letter No. 2015-14910 as a previous determination and release the identical information in accordance with that ruling. With the exception of basic information, which the city must release, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

²As our ruling is dispositive, we do not address the city’s other arguments to withhold this information.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
