ATTORNEY GENERAL OF TEXAS

October 19, 2015

Ms. Maureen Franz  
Deputy Chief Counsel  
Texas Health and Human Services Commission  
P.O. Box 13247  
Austin, Texas 78711

OR2015-21878

Dear Ms. Franz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 584133.

The Texas Health and Human Services Commission (the "commission") received a request for records pertaining to the filling of a particular job opening at the commission. You claim the requested information is excepted from disclosure under sections 552.101 through 552.154 of the Government Code. We have considered the exceptions you claim.

We must address the commission's procedural obligations under the Act. Section 552.301 of the Government Code prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body that receives a request for information it wishes to withhold under an exception to disclosure must submit to this office within fifteen business days of receiving the request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e). The commission received the instant request for information on August 3, 2015. However, as of the date of this letter, you have not submitted arguments explaining why the stated exceptions apply or a copy or representative sample of the specific information requested. Consequently, we find the commission failed to comply with the requirements of section 552.301(e) of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Because the commission failed to comply with the requirements of the Act, the commission has waived all of its claimed discretionary exceptions to disclosure. *See* Open Records Decision No. 665 at 2 n.5 (2000) (untimely request for decision results in waiver of discretionary exceptions). Although the commission raises mandatory exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure or confidential by law. Thus, we have no choice but to order the requested information released pursuant to section 552.302 of the Government Code. If you believe the information is confidential and may not be lawfully released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
