Mr. Mike Harper

Killeen Independent School District

OR2015-23636

Dear Mr. Harper:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 586655.

The Killeen Independent School District (the "district") received a request for police reports of the district's police department pertaining to injuries to children in the district's special needs program during a specified period of time. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

We note you have redacted identifying information from the submitted records. The United States Department of Education Family Policy Compliance Office has informed this office the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code, does not permit state and local educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records

---

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

ruling process under the Act.<sup>2</sup> Consequently, state and local educational authorities that receive a request for education records from a member of the public under the Act must not submit education records to this office in unredacted form, that is, in a form in which “personally identifiable information” is disclosed. *See* 34 C.F.R. § 99.3 (defining “personally identifiable information”); *see also* Open Records Decision No. 224 (1979) (student’s handwritten comments protected under FERPA because they would make identity of student easily traceable through handwriting, style of expression, or particular incidents related in the comments). However, FERPA is not applicable to records that were created by a law enforcement unit of an educational agency or institution for a law enforcement purpose and that are maintained by the law enforcement unit. *See* 20 U.S.C. § 1232g(a)(4)(B)(ii); 34 C.F.R. §§ 99.3, .8. Upon review, we find the information you have redacted is contained within law enforcement records created by the district’s police department (the “department”) for a law enforcement purpose. These records are not subject to FERPA and no portion of these records may be withheld on that basis. However, because we can discern the nature of the redacted information, being deprived of the information does not inhibit our ability to make a ruling. Nonetheless, in the future, the district must not redact information from the information it submits to this office unless it is authorized to do so by statute or the information is the subject of a previous determination under section 552.301 of the Government Code. Failure to comply with section 552.301 may result in the information being presumed public under section 552.302 of the Government Code. *See* Gov’t Code § 552.302.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.”<sup>3</sup> Gov’t Code § 552.101. Section 552.101 encompasses section 58.007 of the Family Code, which provides, in part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

<sup>3</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

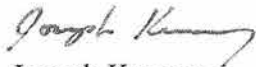

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the conduct. *See id.* § 51.02(2). Upon review, we find the submitted information involves juvenile delinquent conduct occurring after September 1, 1997, and is, therefore, subject to section 58.007(c). Fam. Code § 51.03 (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of section 58.007). None of the exceptions in section 58.007 appear to apply; therefore, the district must withhold the submitted information in its entirety under section 552.101 in conjunction with section 58.007(c).<sup>4</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
