ATTORNEY GENERAL OF TEXAS

Ms. Holly C. Lytle
Assistant County Attorney
El Paso County
500 East San Antonio, Room 503
El Paso, Texas 79901

OR2015-26656

Dear Ms. Lytle:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 591171 (El Paso County File No. 0239-15-PI).

The El Paso County Sheriff's Office (the "sheriff's office") received a request for all traffic accident reports on a day to day basis from the month of September 2015. You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we note the requestor seeks information created through the date of the request, as well as certain information created after the date of the request. It is implicit in several provisions of the Act that the Act applies only to information already in existence. *See* Gov't Code §§ 552.002, .021, .227, .351. The Act does not require a governmental body to prepare new information in response to a request. *See* Attorney General Opinion H-90 (1973); *see also* Open Records Decision Nos. 572 at 1 (1990), 555 at 1-2 (1990), 452

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

at 2-3 (1986), 87 (1975). Consequently, a governmental body is not required to comply with a standing request to supply information prepared in the future. *See* Attorney General Opinion JM-48 at 2 (1983); *see also* Open Records Decision Nos. 476 at 1 (1987), 465 at 1 (1987). Thus, the only information encompassed by the present request consists of information the sheriff's office maintained or had a right of access to as of the date it received the request.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident reports are confidential under section 550.065(b), and the sheriff's office must withhold them under section 552.101 of the Government Code. However, section 550.065(c-1) requires the sheriff's office to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident reports. Accordingly, the sheriff's office must release redacted versions of the submitted accident reports to the requestor pursuant to section 550.065(c-1).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
