ATTORNEY GENERAL OF TEXAS

December 21, 2015

Mr. John P. Beauchamp  
General Counsel for the Commission  
Texas Commission on Law Enforcement  
6330 East Highway 290, Suite 200  
Austin, Texas 78723-1035

OR2015-26814

Dear Mr. Beauchamp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 591536.

The Texas Commission on Law Enforcement ("TCOLE") received a request for specified forms pertaining to a named individual. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted information pertaining to one of the specified forms. However, you have not submitted or state you will release any information responsive to the remaining portions of the request. To the extent information responsive to the remaining portions of the request exists and was maintained by TCOLE on the date it received the request, we assume TCOLE has released it to the requestor. If TCOLE has not released any such information, it must do so at this time. Gov't Code § 552.301(a), .302; Open Records Decision No. 664(2000) (noting that if a governmental body concludes that no exceptions apply to the requested information, it must release information as soon as possible under circumstances).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes such as section 1701.454 of the Occupations Code, which governs the public availability of information submitted to the commission under subchapter J of chapter 1701 of the Occupations Code. Section 1701.454 provides as follows:

(a) All information submitted to the commission under this subchapter is confidential and is not subject to disclosure under Chapter 552, Government Code, unless the person resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses.

(b) Except as provided by this subchapter, a commission member or other person may not release information submitted under this subchapter.

Occ. Code § 1701.454. You assert the submitted information is subject to section 1701.454. You state the officer at issue did not resign or was not terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses. Therefore, TCOLE must withhold the submitted F-5 report under section 552.101 in conjunction with section 1701.454 of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
