

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 28, 2015

Ms. Stephanie Berry
Assistant City Attorney
City of Denton
215 East McKinney
Denton, Texas 76201

OR2015-27115

Dear Ms. Berry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 592200.

The City of Denton (the "city") received a request for (1) "all officer worn body camera video associated with Denton police report number 15009157" and (2) a copy of the "mug shot/booking photo" of a named individual. You claim the submitted information is excepted from disclosure under sections 552.103 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note you have not submitted information responsive to the second category of requested information. We assume, to the extent this information existed on the date the city received the request, it has been released. If the city has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.006, .301, .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

We note the submitted information consists of an officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.*

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Joseph Keeney
Assistant Attorney General
Open Records Division
