Ms. Idolina Garcia
Associate General Counsel
University of North Texas System
1901 Main Street, Suite 216
Dallas, Texas 75201

OR2016-02188

Dear Ms. Garcia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 596069 (UNT No. 003586).

The University of North Texas System (the "system") received a request for a specified dashboard camera video recording. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Article 2.139 of the Code of Criminal Procedure, as added by House Bill 3791 by the 84th Texas Legislature,² provides:

A person stopped or arrested on suspicion of an offense under Section 49.04, 49.045, 49.07, or 49.08, Penal Code, is entitled to receive from a law enforcement agency employing the peace officer who made the

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

²Act of May 30, 2015, 84th Leg., R.S., ch. 1124, § 1 (codified at Crim. Proc. Code art. 2.139).

stop or arrest a copy of any video made by or at the direction of the officer that contains footage of:

- (1) the stop;
- (2) the arrest;
- (3) the conduct of the person stopped during any interaction with the officer, including during the administration of a field sobriety test; or
- (4) a procedure in which a specimen of the person's breath or blood is taken.

Crim. Proc. Code art. 2.139. The submitted information consists of a video recording made by or at the direction of an officer employed by the system's police department that contains footage of the requestor's client being stopped or arrested on suspicion of an offense under section 49.04 of the Penal Code. *See* Penal Code § 49.04 ("A person commits an offense if the person is intoxicated while operating a motor vehicle in a public place."). Therefore, the requestor is entitled to receive a copy of this video recording pursuant to article 2.139 of the Code of Criminal Procedure.

The system raises section 552.130 of the Government Code for the submitted video recording. Section 552.130 provides information relating to a motor vehicle operator's or driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a). We note a statutory right of access generally prevails over the Act's general exceptions to disclosure. *See* Open Record Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). However, because section 552.130 has its own access provisions, we conclude section 552.130 is not a general exception under the Act. Thus, we must address the conflict between the confidentiality provided under section 552.130 of the Government Code and the right of access provided under article 2.139 of the Code of Criminal Procedure. Where information falls within both a general and a specific provision of law, the specific provision prevails over the general. *See* Gov't Code § 311.026(b); *Horizon/CMS Healthcare Corp. v. Auld*, 34 S.W.3d 887, 901 (Tex. 2000) ("more specific statute controls over the more general"); *Cuellar v. State*, 521 S.W.2d 211 (Tex. Crim. App. 1975) (under well-established rule of statutory construction, specific statutory provisions prevail over general ones). In this instance, section 552.130 generally excepts motor vehicle record information maintained in any context, while article 2.139 specifically provides access to certain video footage pertaining to certain intoxication offense arrests. Thus, we conclude the access to the submitted video recording provided under article 2.139 is more specific than the general confidentiality provided under

section 552.130. Additionally, we note article 2.139 is the later enacted statute. *See* Gov't Code § 311.025(a) (if statutes enacted at different sessions of legislature are irreconcilable, statute latest in enactment prevails). Accordingly, the system may not withhold the submitted video recording under section 552.130, and the submitted information must be released pursuant to article 2.139 of the Code of Criminal Procedure.
