Mr. John P. Beauchamp  
General Counsel  
Texas Commission on Law Enforcement  
6330 East Highway 290, Suite 200  
Austin, Texas 78723-1035

OR2016-02616

Dear Mr. Beauchamp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 596546.

The Texas Commission on Law Enforcement (the "commission") received a request for all records related to the discharge of a named peace officer and all documents or complaints filed against that officer by a named law enforcement agency. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted F-5 Separation of Licensee forms related to the named officer. To the extent any additional information responsive to the request existed on the date the commission received the request, we assume the commission has released it. If the commission has not released any such information, it must do so at this time. *See id.* §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by section 1701.454 of the Occupations Code, which governs the public availability of information submitted to the commission under subchapter J of chapter 1701 of the Occupations Code. Section 1701.454 provides as follows:

(a) All information submitted to the commission under this subchapter is confidential and is not subject to disclosure under Chapter 552, Government Code, unless the person resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses.

(b) Except as provided by this subchapter, a commission member or other person may not release information submitted under this subchapter.

Occ. Code § 1701.454. In this instance, you state the officer at issue did not resign or was not terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses. Therefore, the commission must withhold the submitted information under section 552.101 in conjunction with section 1701.454 of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
