Dear Ms. Koonce:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 602737.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101, 552.117, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. You inform us the sheriff's office does not possess the technological capability to redact information from the submitted video recordings. Upon review, we find the sheriff's office must withhold the motor vehicle record information you have marked, as well as the entirety of the submitted video recordings, under section 552.130 of the Government Code.<sup>1</sup> *See* Open Records Decision No. 364 (1983).

---

<sup>1</sup>As our ruling is dispositive, we need not address your remaining arguments against disclosure.

In summary, the sheriff's office must withhold the motor vehicle record information you have marked and the video recordings in their entireties under section 552.130 of the Government Code. The sheriff's office must release the remaining information.
