Mr. Richard R. Gore
Assistant Criminal District Attorney
Randall County Criminal District Attorney's Office
2309 Russell Long Boulevard, Suite 120

Dear Mr. Gore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 603941.

The Randall County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a named individual. You argue pursuant to section 552.028 of the Government Code, the sheriff's office need not comply with the request for information. Alternatively, you claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered your claims and reviewed the submitted information.

Section 552.028 of the Government Code provides, in relevant part:

(a) A governmental body is not required to accept or comply with a request for information from:

- (1) an individual who is imprisoned or confined in a correctional facility; or
- (2) an agent of that individual, other than that individual's attorney when the attorney is requesting information that is subject to disclosure under this chapter.

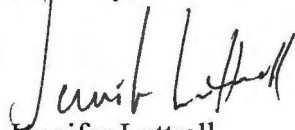

(b) This section does not prohibit a governmental body from disclosing to an individual described by Subsection (a)(1), or that individual's agent, information held by the governmental body pertaining to that individual.

Gov't Code § 552.028. You state the individual named in the request is an individual who is confined in a correctional facility. *See id.* § 552.028(c) ("correctional facility" is a place for the confinement of a person arrested for, charged with, or convicted of a criminal offense). You assert the requestor made the present request for information as an agent of the inmate. The requestor states she is submitting her request on behalf of the inmate. You assert pursuant to section 552.028, the department is not required to accept or comply with this request. Based on your representations, we agree section 552.028 of the Government Code is applicable in this instance and conclude the sheriff's office need not comply with this request.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
