Mr. Matthew L. Grove  
Assistant County Attorney  
County of Fort Bend  
401 Jackson Street, 3<sup>rd</sup> Floor  
Richmond, Texas 77469

OR2016-04889

Dear Mr. Grove:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 600097.

The Fort Bend County Sheriff's Office (the "sheriff's office") received a request for all information pertaining to a specified case number, including citations and crash reports. You state the sheriff's office does not have any responsive citations or crash reports.<sup>1</sup> You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming

<sup>1</sup>The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

<sup>2</sup>We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the submitted information relates to a concluded case that did not result in a conviction or deferred adjudication. Based on your representation, we conclude section 552.108(a)(2) is applicable to the submitted information.

Section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See* Open Records Decision No. 127 (1976) (summarizing types of information made public by *Houston Chronicle*). We note basic information includes, among other items, the identity and description of the complainant, but does not include the identity of a victim or witness, unless the victim is also the complainant. *See* ORD 127 at 3-4. Thus, with the exception of basic information, which must be released, the sheriff's office may withhold the submitted information pursuant to section 552.108(a)(2) of the Government Code.<sup>3</sup>

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
