Dear Mr. Daniel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 600804 (PIA Request 15-618-PD).

The Watauga Police Department (the "department"), which you represent, received a request for all police reports involving a specified address during a specified time. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997, are confidential under section 58.007(c) of the Family Code, which reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). The submitted information involves juvenile delinquent conduct or conduct indicating a need for supervision that occurred after September 1, 1997. *See id.* § 51.03 (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of Fam. Code § 58.007). It does not appear any of the exceptions in section 58.007 apply. Therefore, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.¹
