Dear Mr. Gilbert:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 602181.

The Katy Independent School District (the "district"), which you represent, received a request for information pertaining to the requestor's child and documentation relating to misconduct and reprimands related to specified employees.¹ You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the requestor states in the request, "[t]his request is continuing in nature, so if new documents are generated, we request copies of those as well." It is implicit in several provisions of the Act that the Act applies only to information already in existence. *See* Gov't Code §§ 552.002, .021, .227, .351. The Act does not require a governmental body to prepare new information in response to a request. *See* Attorney General Opinion H-90

¹You state the district received clarification of the information requested. *See* Gov't Code § 552.222(b) (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

(1973); *see also* Open Records Decision Nos. 572 at 1 (1990), 555 at 1-2 (1990), 452 at 2-3 (1986), 87 (1975). Consequently, a governmental body is not required to comply with a standing request to supply information prepared in the future. *See* Attorney General Opinion JM-48 at 2 (1983); *see also* Open Records Decision Nos. 476 at 1 (1987), 465 at 1 (1987). Thus, the only information encompassed by the present request consists of information the district maintained or had a right of access to as of the date it received the request.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses section 21.355 of the Education Code, which provides that “[a] document evaluating the performance of a teacher or administrator is confidential.” Educ. Code § 21.355. In addition, the court has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because “it reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). This office has interpreted this section to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. Open Records Decision No. 643 (1996). In that opinion, we concluded that a teacher is someone who is required to hold and does hold a certificate or permit required under chapter 21 of the Education Code and is teaching at the time of his or her evaluation. *Id.* We also have determined that for purposes of section 21.355, “administrator” means a person who is required to and does in fact hold an administrator’s certificate under subchapter B of chapter 21 of the Education Code and is performing the functions of an administrator, as that term is commonly defined, at the time of the evaluation. *Id.*

You claim the submitted information constitutes evaluations of teachers that are confidential under section 21.355 of the Education Code. You state, and provide documentation showing, the individuals at issue held the appropriate certificates at the time of the evaluations. Based on your representations and our review, we conclude the district must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. However, the remaining information pertains to two employees in their capacities as coaches. We find you have failed to demonstrate any of the remaining information constitutes an evaluation of the performance of a teacher or an administrator for the purposes of section 21.355 of the Education Code. *See* Educ. Code § 21.353 (teachers shall be appraised only on basis of classroom teaching performance and not in connection with extracurricular activities). Therefore, the district may not withhold the remaining information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. As you raise no further exception to disclosure, the district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
