Mr. John P. Beauchamp
General Counsel
Texas Commission on Law Enforcement
6330 East Highway 290, Suite 200

OR2016-06541

Dear Mr. Beauchamp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 606504.

The Texas Commission on Law Enforcement ("TCOLE") received a request for the names and F-5 Separation of Licensee forms of all employees discharged by a named individual during a specified time frame. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. Section 552.101 encompasses section 1701.454 of the Occupations Code, which governs the public availability of information submitted to TCOLE under subchapter J of chapter 1701 of the Occupations Code. Section 1701.454 provides as follows:

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(a) All information submitted to [TCOLE] under this subchapter is confidential and is not subject to disclosure under [the Act] unless the person resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses.

(b) Except as provided by this subchapter, a [TCOLE] member or other person may not release information submitted under this subchapter.

Occ. Code § 1701.454. The submitted information consists of F-5 Report of Separation of Licensee forms, which were submitted to TCOLE. The information indicates the officers at issue did not resign or were not terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses. Therefore, TCOLE must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 1701.454 of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
