March 23, 2016

Mr. James Kopp
Assistant City Attorney
Office of the City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2016-06607

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 602531 (COSA File Nos. W106832, W106833, W106835, W106839, W116927, W116929, W116930, and W116931).

The City of San Antonio (the "city") received several requests from the same requestor for information pertaining to four named city police officers. You state some information will be released to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹ We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

We note the submitted information contains peace officers' Texas Commission on Law Enforcement ("TCOLE") identification numbers. Section 552.002(a) of the Government Code defines "public information" as information that is written, produced, collected,

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

(1) by a governmental body;

(2) for a governmental body and the governmental body:

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in the commissioner's electronic database and may be used as an access device number on the TCOLE website. Accordingly, we find the officers' TCOLE identification numbers in the submitted information do not constitute public information under section 552.002 of the Government Code. Therefore, the TCOLE identification numbers are not subject to the Act and need not be released to the requestor.²

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by section 143.089 of the Local Government Code. We understand the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 provides for the maintenance of two different types of personnel files for each police officer employed by a civil service city: one that must be maintained as part of the officer's civil service file and another that the police department may maintain for its own internal use. *See* Local Gov't Code § 143.089(a), (g). Under section 143.089(a), the officer's civil service file must contain certain specified items, including commendations, periodic evaluations by the police officer's supervisor, and documents relating to any misconduct in any instance in which the

department took disciplinary action against the officer under chapter 143 of the Local Government Code. *Id.* § 143.089(a)(1)-(2). Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *Id.* §§ 143.051-.055. A letter of reprimand does not constitute discipline under chapter 143. *See* Attorney General Opinion JC-0257. In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a). *See Abbott v. Corpus Christi*, 109 S.W.3d 113,122 (Tex. App.—Austin 2003, no pet.).

All investigatory materials in a case resulting in disciplinary action are “from the employing department” when they are held by or are in the possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records may not be withheld under section 552.101 of the Government Code in conjunction with section 143.089 of the Local Government Code. *See* Local Gov't Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). Information relating to alleged misconduct or disciplinary action taken must be removed from the police officer's civil service file if the police department determines that there is insufficient evidence to sustain the charge of misconduct or that the disciplinary action was taken without just cause. *See* Local Gov't Code § 143.089(b)-(c).

Section 143.089(g) authorizes a police department to maintain, for its own use, a separate and independent internal personnel file relating to a police officer. *See id.* § 143.089(g). Section 143.089(g) provides as follows:

A fire or police department may maintain a personnel file on a fire fighter or police officer employed by the department for the department's use, but the department may not release any information contained in the department file to any agency or person requesting information relating to a fire fighter or police officer. The department shall refer to the director or the director's designee a person or agency that requests information that is maintained in the fire fighter's or police officer's personnel file.

Id. In *City of San Antonio v. Texas Attorney General*, 851 S.W.2d 946 (Tex. App.—Austin 1993, writ denied), the court addressed a request for information contained in a police officer's personnel file maintained by the police department for its use and the applicability of section 143.089(g) to that file. The records included in the departmental personnel file related to complaints against the police officer for which no disciplinary action was taken. The court determined section 143.089(g) made these records confidential. *See* 851 S.W.2d at 949; *see also City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San Antonio 2000, pet. denied) (restricting confidentiality under Local Gov't Code § 143.089(g) to “information reasonably related to

a police officer's or fire fighter's employment relationship"); Attorney General Opinion JC-0257 at 6-7 (2000) (addressing functions of Local Gov't Code § 143.089(a) and (g) files).

You assert the submitted information is maintained only in the city police department's internal personnel files for the named officers under section 143.089(g). We note the submitted information contains commendations for one of the named officers. Additionally, some of the information at issue pertains to an internal affairs case that resulted in disciplinary action against one of the named officers. While this information may be kept in the internal file maintained under subsection 143.089(g), it must also be kept in the civil service personnel file maintained under subsection 143.089(a). *See* Local Gov't Code § 143.089(a)(1), (3). In this instance, the request was received by the city, which has access to the files maintained under both subsections 143.089(a) and 143.089(g); therefore, the request encompasses both of these files. Accordingly, the city may not withhold the commendations or the information that pertains to the internal affairs case that resulted in disciplinary action, which we have marked, under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code. Upon review, we find the remaining information is confidential under section 143.089(g) of the Local Government Code. Accordingly, the city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.³

Section 552.101 of the Government Code also encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the city must withhold it under section 552.101 of the Government Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of

legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. The types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987).

Upon review, we find no portion of the remaining information is highly intimate or embarrassing and of no legitimate public interest. Accordingly, the city may not withhold any of the remaining information under section 552.101 of the Government Code on the basis of common-law privacy.

We note you have redacted information subject to section 552.117(a)(2) of the Government Code in accordance with Open Records Decision No. 670 (2001).⁴ Section 552.117(a)(2) of the Government Code excepts from public disclosure the home address, home telephone number, emergency contact information, and social security number of a peace officer, as well as information that reveals whether the peace officer has family members, regardless of whether the peace officer complies with sections 552.024 and 552.1175 of the Government Code. *See* Gov't Code § 552.117(a)(2). Section 552.117(a)(2) applies to peace officers as defined by article 2.12 of the Code of Criminal Procedure. Accordingly, the city must withhold the information you have redacted, and the additional information we have marked, under section 552.117(a)(2) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release.⁵ *Id.* § 552.130. Upon review, we find the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the TCOLE identification numbers are not subject to the Act and need not be released to the requestor. Except for the information we have marked for release as subject to section 143.089(a) of the Local Government Code, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code. In releasing the information we have

⁴Open Records Decision No. 670 authorizes all governmental bodies to withhold the current and former home addresses and telephone numbers, personal cellular telephone and pager numbers, social security numbers, and family member information of peace officers under section 552.117(a)(2) of the Government Code without the necessity of requesting an attorney general decision. ORD 670 at 6.

⁵The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

marked for release as subject to section 143.089(a) of the Local Government Code, the city must withhold (1) the submitted accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code; (2) the information you have redacted, and the additional information we have marked, under section 552.117(a)(2) of the Government Code; and (3) the information we have marked under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
