Dear Ms. Weaver:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 602987.

The City of Panhandle (the "city"), which you represent, received a request for all records pertaining to purchasing cards used by a named individual. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to an

¹We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

investigation or prosecution of criminal conduct. Open Records Decision No. 474 at 4-5 (1987). Where a non-law enforcement agency possesses information relating to a pending case of a law enforcement agency, the non-law enforcement agency may withhold the information under section 552.108(a)(1) if it demonstrates the information relates to the pending case and provides this office with a representation from the law enforcement agency that wishes to withhold the information. The city has submitted an affidavit from the Department of Public Safety (the "DPS") in which the DPS objects to the release of the submitted information because it pertains to a pending criminal investigation. Based on this representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, the city may withhold the submitted information on behalf of the DPS under section 552.108(a)(1) of the Government Code.
