Ms. Kristen N. Lee
Assistant County Attorney
County of Harris
1019 Congress, 15th Floor

Dear Ms. Lee:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 605766 (C.A. File No. 16PIA0028)

The Harris County Institute of Forensic Sciences (the "institute") received a request for a specified autopsy report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]" Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). By its terms, section 552.108 of the Government Code applies only to a law enforcement agency or a

¹Although you raise section 552.101 of the Government Code, you make no arguments to support this exception. Therefore, we assume you have withdrawn your claim this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

prosecutor. This office has concluded, however, that section 552.108 may be invoked by any proper custodian of information that relates to the underlying incident. *See* Open Records Decision Nos. 474 (1987), 372 (1983). Where a non-law enforcement agency has custody of information related to a concluded criminal case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information is related to a criminal case that has reached a conclusion other than a conviction or a deferred adjudication and a representation from a law enforcement entity that it wishes to have the information withheld.

You seek to withhold the submitted information on behalf of the Houston Police Department (the “department”). You have submitted an affidavit from the department stating it objects to the release of the information as it relates to a concluded criminal investigation that did not result in a conviction or deferred adjudication. Based on this representation and our review, we conclude the institute may withhold the submitted information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
