

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 28, 2016

Mr. Justin Pruitt
Assistant City Attorney
City of Lubbock
P.O. Box 2000
Lubbock, Texas 79457

OR2016-09556

Dear Mr. Pruitt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 607810 (City File No. 1278).

The Lubbock Police Department (the "department") received a request for all information pertaining to a specified vehicle accident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note some of the submitted information consists of a grand jury subpoena and information obtained pursuant to a grand jury subpoena. The judiciary is expressly excluded from the requirements of the Act. Gov't Code § 552.003(1)(B). This office has determined for Act, a grand jury is a part of the judiciary and therefore not subject to the Act. *See Open Records Decision No. 411 (1984)*. Further, records kept by a governmental body that is acting as an agent for a grand jury are considered records in the constructive possession of the grand jury, and are also not subject to the Act. *See Open Records Decisions Nos. 513 (1988), 411. 398 (1983)*. Thus, to the extent the department holds the information at issue as an agent of the grand jury, such information consists of records of the judiciary that are not subject to disclosure under the Act and the department is not required to release that information in response to the instant request. To the extent the department does not hold the information at issue as an agent of the grand jury, we will address the department's arguments against its disclosure.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

Here, the requestor is a person listed under section 550.065(c). Although the department asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act’s general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor’s statutory access under section 550.065(c) prevails and the department may not withhold the information under section 552.108 of the Government Code. Thus, the department must release the accident report to the requestor pursuant to section 550.065(c).

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the information at issue relates to a criminal investigation that has concluded in a final result other than conviction or deferred adjudication. *See id.* §§ 552.108(a)(2), .301(e)(1)(A). You state the remaining information pertains to a case that concluded in a result other than conviction or deferred adjudication. Therefore, we agree section 552.108(a)(2) is applicable to this information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, which the department must release, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

In summary, to the extent the department holds the grand jury subpoena, and information obtained pursuant to the grand jury subpoena, as an agent of the grand jury the department is not required to release that information in response to the instant request. The department must release the submitted accident report to the requestor pursuant to section 550.065(c) of the Transportation Code. With the exception of basic information, which must be released, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.
