Ms. Rachel Saucier
Legal Assistant
City of Georgetown
P.O. Box 409

OR2016-10671

Dear Ms. Saucier:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 615614 (PIR No. G002299-040416).

The City of Georgetown (the "city") received a request for information pertaining to a specified case number. You state the city has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes a city police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code, which is encompassed by section 552.101 of the Government Code.¹ Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

¹Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101.

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.² However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.*

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130. The city asserts, and we agree, the remaining video recording contains motor vehicle record information that is excepted from disclosure under section 552.130 of the Government Code. In this instance, the city states it does not possess the technological capability to redact information from the video file. Thus, we agree the city must withhold the remaining video recording in its entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

In summary, as the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information, and the city need not release the submitted body camera recording at issue in response to this request for information. The city must withhold the remaining video recording in its entirety under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
