Dear Mr. Giles:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 614401 (GC Nos. 23216 and 23220).

The City of Houston (the "city") received two requests from the same requestor for all correspondence between the city and Waste Management regarding a specified policy during a specified time frame. You claim the submitted information is excepted from disclosure under sections 552.104, 552.107, and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). competitive bidding situation. In addition, you state “release of the responsive information would present a clear threat of harm to the [c]ity’s ability to obtain the lowest price possible in any future bidding process.” After review of the information at issue and consideration of the arguments, we find the city has established the release of the information at issue would give advantage to a competitor or bidder. Thus, we conclude the city may withhold the submitted information under section 552.104(a) of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
