July 1, 2016

Mr. Dean Micknal
Counsel for the Mineral Wells Independent School District
Leasor Crass, P.C.

OR2016-15119

Dear Mr. Micknal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 616886.

The Mineral Wells Independent School District (the "district"), which you represent, received a request for a specified maintenance report. You claim the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note the submitted information falls within the scope of section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The submitted information consists of a completed audit report that is subject to section 552.022(a)(1) of the Government Code. The district must release

the completed audit report pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or made confidential under the Act or other law. *See id.* Although you seek to withhold the information under section 552.111 of the Government Code, this section is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 470 at 7 (1987) (deliberative process privilege under statutory predecessor to Gov't Code § 552.111 subject to waiver). As such, section 552.111 does not make information confidential for purposes of section 552.022(a)(1). Thus, the completed audit report may not be withheld under section 552.111. Therefore, as the district raises no other exception to disclosure, the submitted information must be released pursuant to section 552.022(a)(1).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
