

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 5, 2016

Ms. Cary Grace
Assistant City Attorney
City of Austin
P.O. Box 1088
Austin, Texas 78767-8828

OR2016-15153

Dear Ms. Grace:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 617119 (PIR# 26123; ORR# 04-06707).

The City of Austin (the "city") received a request for information reviewed or considered by the Citizen Review Panel and Austin Police Monitor pertaining to a specified incident. You state the city has released some of the requested information. You also state the city does not have information responsive to a portion of the request.¹ You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

¹We note the Act does not require a governmental body to disclose information that did not exist at the time the request was received. *Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Attorney General Opinion H-90 (1973); Open Records Decision Nos. 452 at 2-3 (1986), 342 at 3 (1982), 87 (1975); *see also* Open Records Decision Nos. 572 at 1 (1990), 555 at 1-2 (1990), 416 at 5 (1984).

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The information you seek to withhold under section 552.108 relates to an internal affairs investigation conducted by the city’s police department. Section 552.108 is generally not applicable to information relating to an administrative investigation that did not result in a criminal investigation or prosecution. *See Morales v. Ellen*, 840 S.W.2d 519, 525-26 (Tex. Civ. App.—El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution); *see also* Open Records Decision No. 350 at 3-4 (1982). However, you explain the submitted information relates to a pending criminal investigation and prosecution. Based upon this representation and our review, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
