

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 8, 2016

Ms. Sherry Vital
Assistant City Attorney
City of Port Arthur
P.O. Bo 1089
Port Arthur, Texas 77641-1089

OR2016-15530

Dear Ms. Vital:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 617443.

The Port Arthur Police Department (the "department") received a request for booking information pertaining to a named individual, including information from a specified date. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the department only submitted an arrest warrant affidavit and a property inventory list. To the extent any information responsive to the remaining portions of the request existed on the date the department received the request, we assume the department has released it. If the department has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Next, we must address the department's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(b), a governmental body

must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). The department received the request for information on April 15, 2016. Accordingly, the department was required to request a decision from this office by April 29, 2016. However, the envelope in which the department requested a decision from this office was postmarked May 2, 2016. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the department failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision Nos. 319 (1982), 586 (1991), 630 (1994). This office has held a compelling reason exists to withhold information when third-party interests are at stake or when information is made confidential by another source of law. *See* Open Records Decision No. 150 (1977) (construing predecessor statute). Although the department raises section 552.108 of the Government Code, this section is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions in general), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Thus, in failing to comply with section 552.301, the department has waived its argument under section 552.108, and may not withhold the submitted information on the basis of its own interests under section 552.108. However, the need of a governmental body other than the agency that is seeking an open records decision to withhold information under section 552.108 of the Government Code can provide a compelling reason to withhold information from disclosure. *See* ORD 586 at 3. Because the department informs us the Jefferson County Criminal District Attorney's Office (the "district attorney's office") objects to the release of the information at issue, we will consider whether the department may withhold the submitted information under section 552.108 on behalf of the district attorney's office.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A);

see also Ex parte Pruitt, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to a pending criminal prosecution by the district attorney's office. You inform us the district attorney's office objects to disclosure of the information at issue because release would interfere with a pending criminal prosecution by the district attorney's office. Based on your representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information. Accordingly, the department may withhold the submitted information on behalf of the district attorney's office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
