ATTORNEY GENERAL OF TEXAS

July 11, 2016

Ms. Kathleen M. Kennedy  
Chief Civil Attorney  
Jefferson County District Attorney's Office  
1085 Pearl Street, Third Floor  
Beaumont, Texas 77701

OR2016-15577

Dear Ms. Kennedy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 622520.

The Jefferson County Sheriff's Department (the "department") received a request for the security video footage from the Jefferson County courthouse taken during a specified time. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup> We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. This exception encompasses section 418.182 of the Government Code, which was added to chapter 418 of the Government Code as part of the Texas Homeland Security Act (the "HSA"). Section 418.182(a) of the Government Code provides in relevant part, "information . . . in the possession of a governmental entity that relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity is confidential." *Id.* § 418.182(a). The fact that information may be related to a security system does not make

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

the information *per se* confidential under section 418.182. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any confidentiality provision, a governmental body asserting section 418.182 must adequately explain how the responsive information falls within the scope of the statute. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

The submitted information consists of surveillance video recordings taken at the Jefferson County courthouse. You state the surveillance video system is part of the county's security system used for the protection from security threats, including threats of terrorism or related criminal activity against the general public, county elected officials, and employees. You assert release of the recordings would reveal the clarity, range, angles, precision, and placement of the surveillance cameras. Upon review, we find the submitted surveillance video recordings relate to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity. *See Tex. Dep't of Pub. Safety v. Abbott*, 310 S.W.3d 670 (Tex. App.—Austin 2010, no pet.) (recorded images of Texas Department of Public Safety video taken from Capitol security cameras relate to specifications of security system used to protect public property from act of terrorism or related criminal activity). Accordingly, the county must withhold the submitted video recordings under section 552.101 of the Government Code in conjunction with section 418.182(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
