Counsel for the City of Murphy

OR2016-16760

Dear Ms. Rovira:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 619944 (ORR# W002347).

The City of Murphy (the "city"), which you represent, received a request for audio or video recordings of interviews of several named individuals related to specified arrests. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

We must address the city's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). The city received the request for information on April 25, 2016. You do not inform us the city was closed for any business days between April 25, 2016, and May 9, 2016. Accordingly, you were required to provide the information required by section 552.301(b) by May 9, 2016. However, the envelope in which the city provided the information required by section 552.301(b) was postmarked May 16, 2016. *See*

---

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

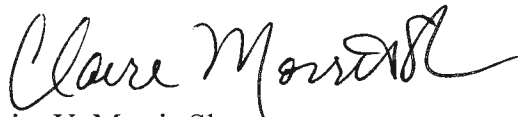

*id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the city failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Generally, a governmental body may demonstrate a compelling reason to withhold information by showing that the information is made confidential by another source of law or affects third-party interests. *See* ORD 630. The city claims section 552.108 of the Government Code for the submitted information. However, this exception is discretionary in nature. It serves to protect a governmental body's interest and may be waived; as such, section 552.108 does not constitute a compelling reason to withhold information. *See* Gov't Code § 552.007; Open Records Decision No. 177 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Accordingly, no portion of the submitted information may be withheld under section 552.108 of the Government Code. As you raise no further exceptions to disclosure, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
